market provided by "**PRIME WHALE LLC**" on a "Spot" basis means assumptions of the following risks:

2.1. Leverage

High Leverage and low Margin can result in significant losses due to small price fluctuations in the traded products. High Leverage allows the Customer to assume more risk, magnifying both losses and profits; which can result in loss up to and in excess of Deposits and Margin. The Customer must consider that if the trend on the market is against him/her the Customer may sustain a total loss of the initial margin funds and any additional funds deposited to maintain open positions. The Customer is responsible for all his/her risks, financial resources he/she uses and for the chosen trading strategy.

2.2. Quotes and Margin

Quotes and Margins are set by **PRIME WHALE LLC** and may differ from other firms. **PRIME WHALE LLC** will exercise discretion in setting and collecting Margin. **PRIME WHALE LLC** is authorized to convert funds in the Customer's Trading Account for Margin into and from such foreign currency at a rate of exchange determined by **PRIME WHALE LLC** in its sole discretion on the basis of then-prevailing money market rates. The Customer must maintain the minimum Margin Level requirement on Customer's Open Positions at all times. The Customer assumes the responsibility to monitor the Customer's Required Margin. **PRIME WHALE LLC** has the right to liquidate any or all Open Positions whenever the minimum Margin requirement is not maintained. To avoid a Margin Call it is highly recommended to maintain a Margin Level of 1000% or greater.
